***State of the HERS Industry:***

**What We Have Accomplished**

# State of the HERS Industry: Maturing Industry

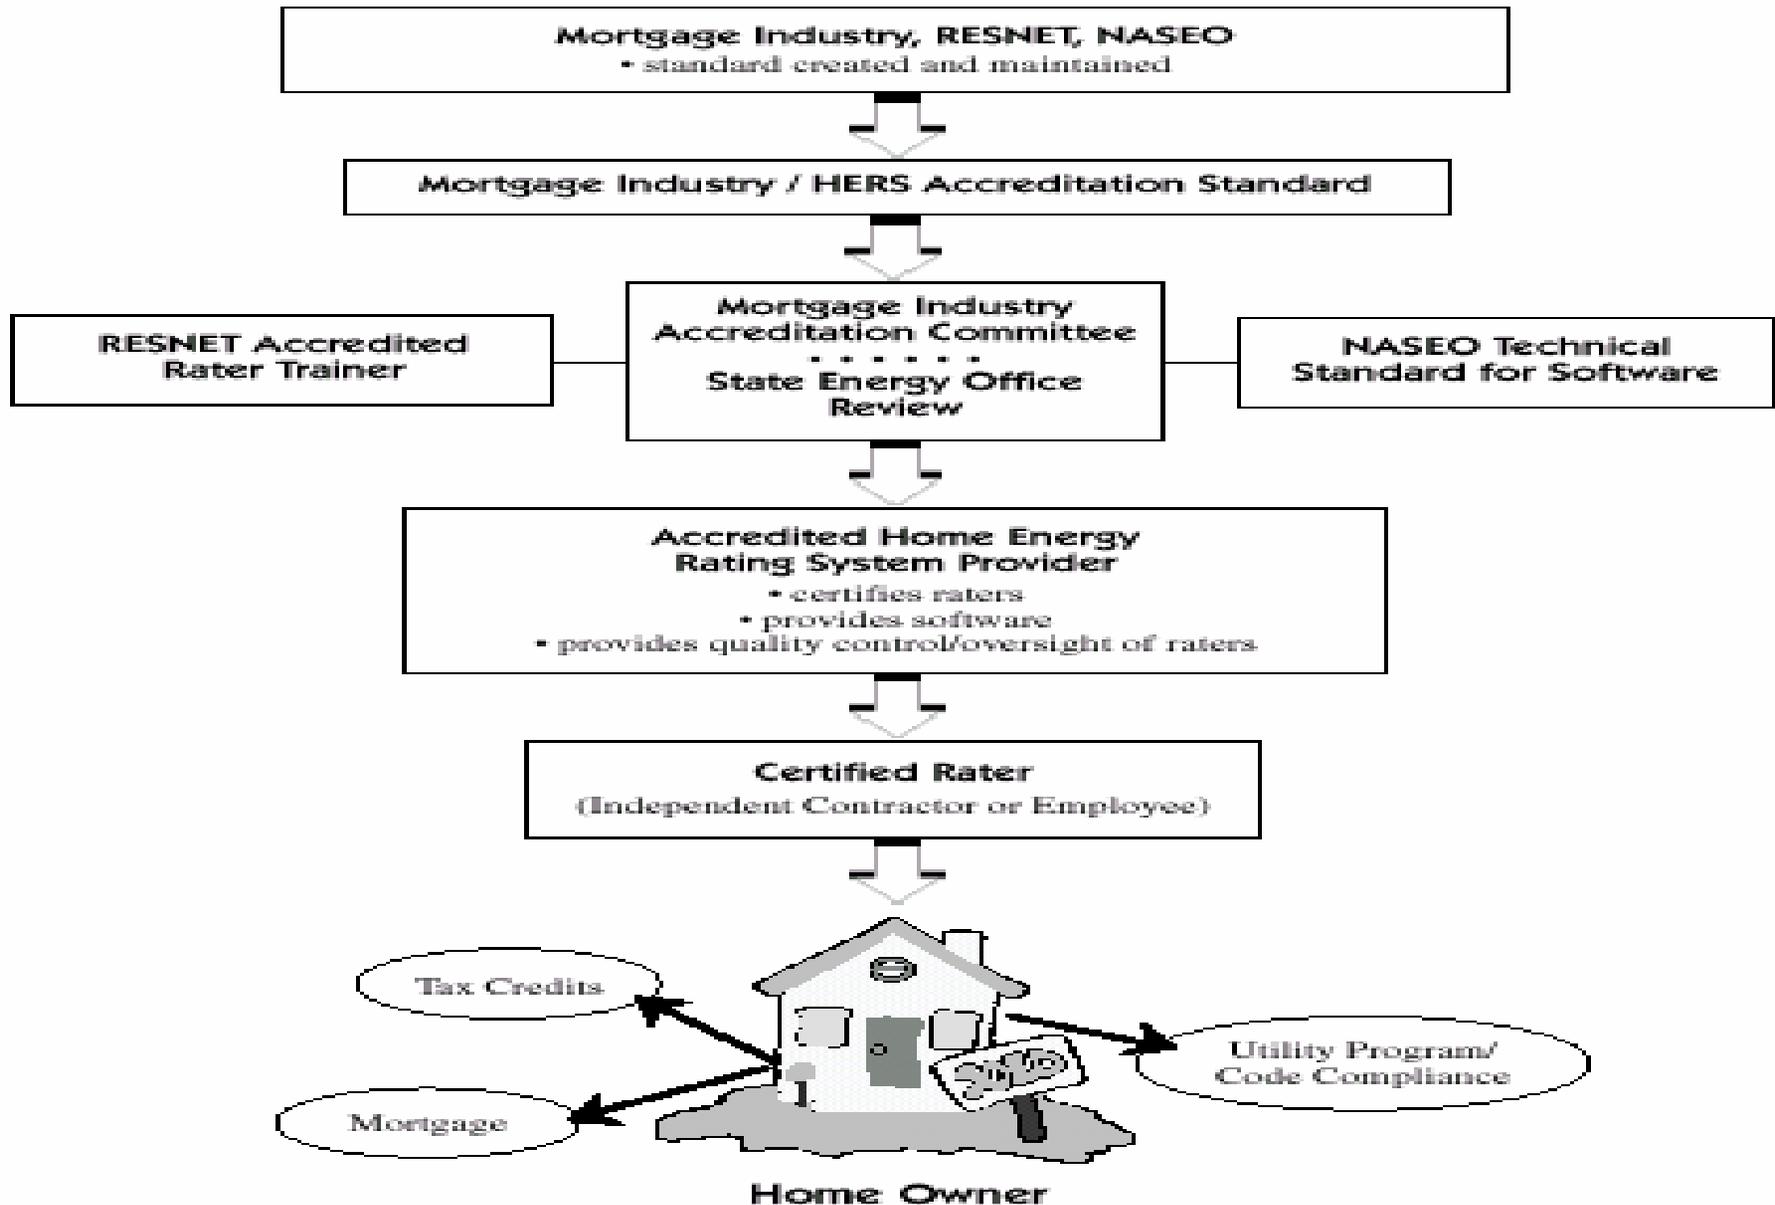

- ✍ **National Standardization**
- ✍ **National Coverage**
- ✍ **Competitive Industry**
- ✍ **Growing Market Demand**

# State of the HERS Industry: Maturing Industry

## National Standardization

- ✍ **Rating Provider Accreditation**
- ✍ **Technical Guidelines**
- ✍ **Rater Training & Certifying  
Standard**

# Home Energy Rating System National Oversight Structure

# State of the HERS Industry: Maturing Industry

National Coverage:

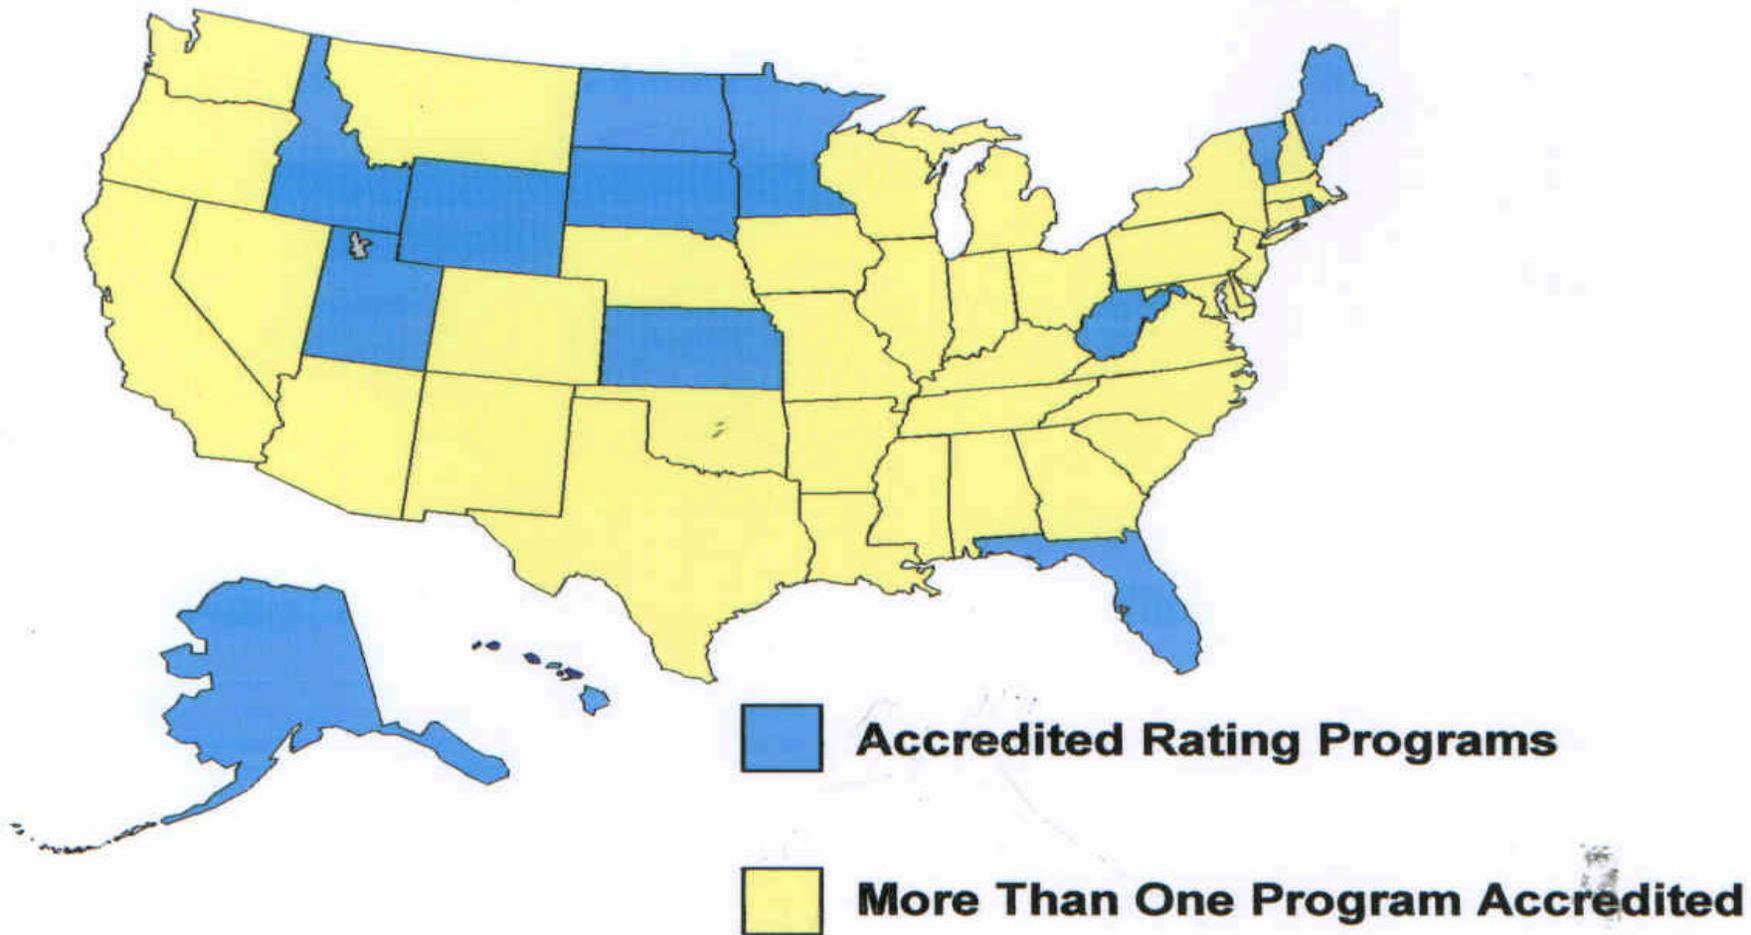

Accredited Programs Operating  
in all 50 States.

# State of the HERS Industry: Maturing Industry

Competitive Industry:

Thirty Five States Have More  
Than One Accredited Program  
(Up by Nine States in 2001)

# States With Accredited HERS

# **State of the HERS Industry: Maturing Industry**

**Growing Market Demand:**

**33,000+ Homes Rated in 2000**

## **Progress Achieved on Industry Blue Print for Action**

- ✍ Tax Credit for Energy Efficient Homes Passed House and Awaiting Action in Senate**
