A New Orleans Rater's Perspective of the
Katrina Disaster

"How did you make out?"

"My" FEMA trailer

The "thing" arrives.

Over the levee;

...and **through** them!

Water on it's way in

...people on the way out.

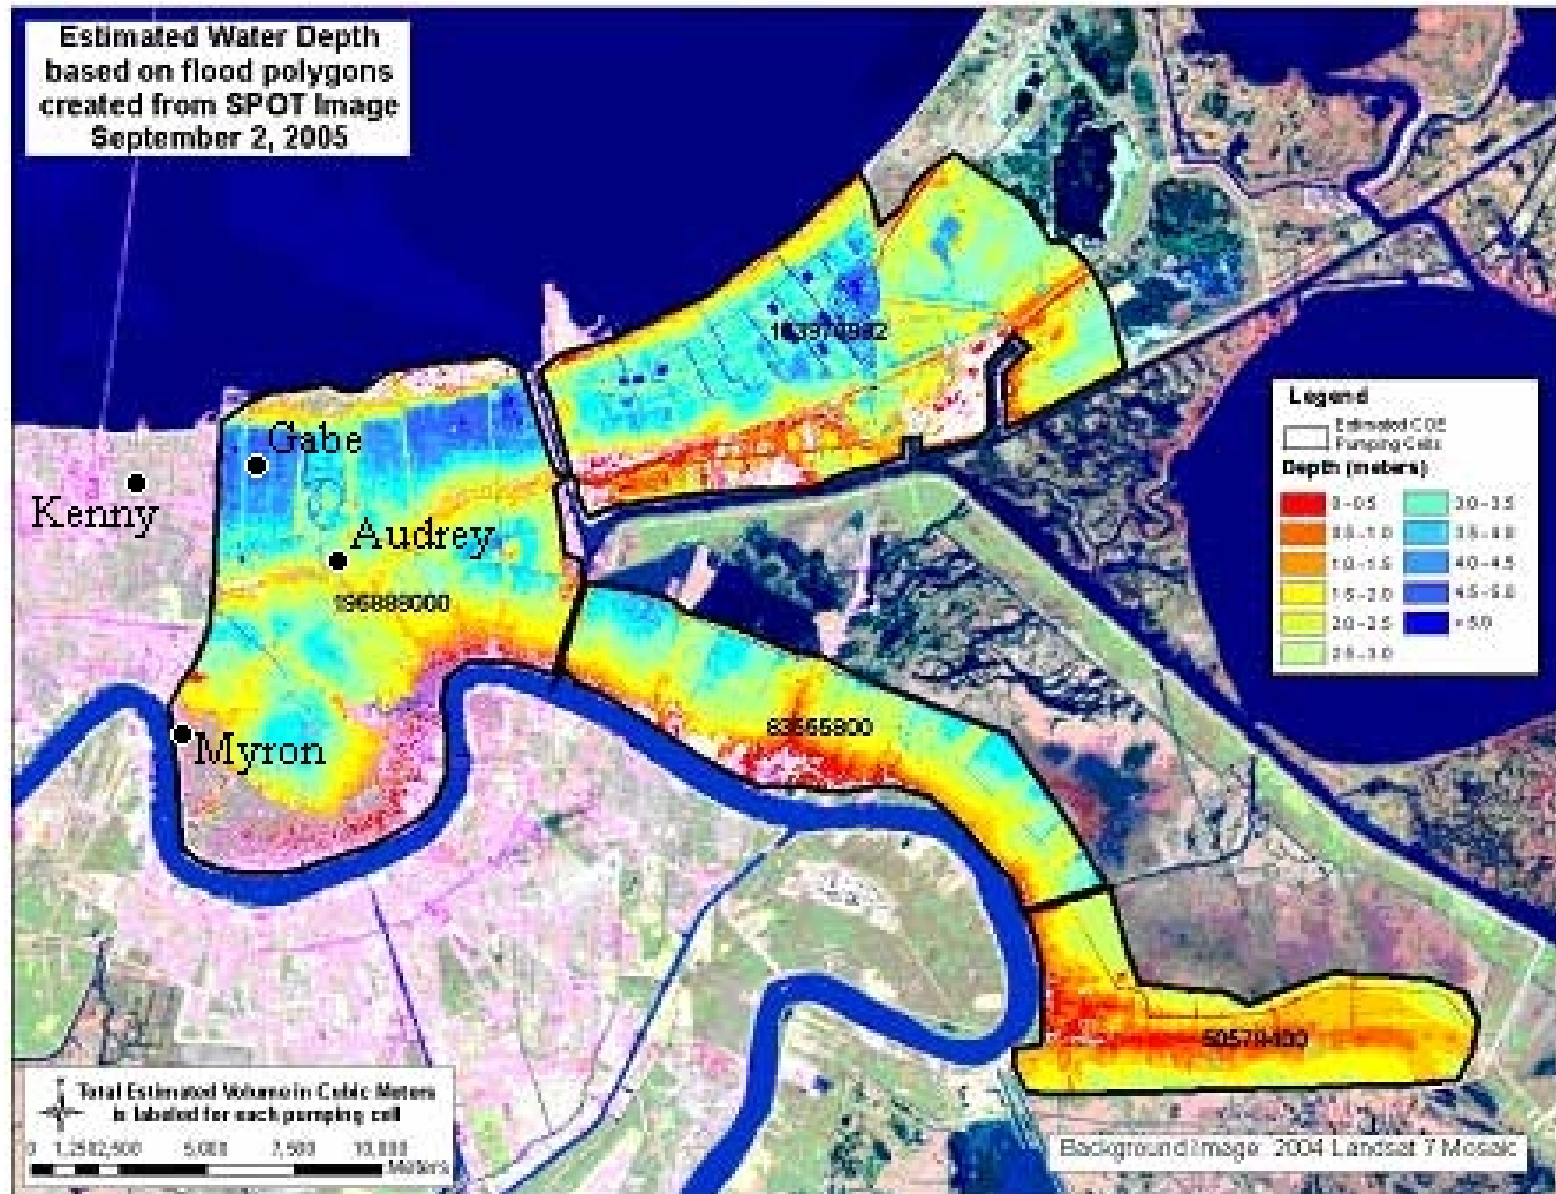

Jefferson Parish, for about 12 hours.

Orleans Parish, for over two weeks

Depth in Meters

Across the thin line...

...go the rescue boats

Car stranded, boat stranded

Damage outside...

...mold inside

And still, the sense of humor

Signs of progress...

And Trailers..

...and stagnation

Pictures from N.O. Rater Rodney Bell:
